ROUX R-1CF Gloss Carbon

The ROUX R-1CF Gloss Carbon Fiber helmet is SNELL 2015 and FIA 8859 rated. It includes an integrated water drink tube with quick disconnect, complete radio gear with noise cancelling microphone and speaker pods, COOL-X integrated water cooling system, HANS anchors, and RELEASE emergency helmet removal system. It also comes with a dark smoke shield, extra shield hardware and 3 different size cheek pads for custom fitting.

R-1FBM Fiberglass

The ROUX R-1FBM Fiberglass helmet is SNELL 2015 rated, and is built just like the R-1 Fiberglass without accessories. It does however include factory installed HANS anchor threaded backing plates, and our RELEASE emergency helmet removal system. An optional radio kit, water drink tube and HANS anchors are available from your authorized dealer.

(Available in Gloss white only)
